

Nursery top up offer - Terms and Conditions

Please read the following terms and conditions carefully before applying for any additional hours for your Nursery child.

All children entitled to 30 free hours of childcare will need to confirm that we are the chosen childcare provider in order for us to claim those funded hours.

Our 15 hour funded offer is for mornings only 8.45-11.45am every day.

Parents wishing to top up their 15 funded hours to access afternoon sessions will need to agree:

- The afternoon sessions are charged at £10 per session.
- If your child requires a school lunch then they can be purchased at £2 per day. You can alternatively send your child with a packed lunch (no charge).
- Bookings will be made on a half termly basis and done via the school office. They will need to be paid for in full by the first day of that half term. You will need to specify the days you are booking for the whole half term at the time of making the booking in order for us to allocate staff and create registers.
- Children will not receive any refund for non-attendance unless there is a school closure (e.g. snow day) or your child needs to isolate as a result of testing positive for Covid 19 or being in close contact with a positive case.
- No wrap around care is available for Nursery children.
- The afternoon session runs from 12-3pm.
